¹⁾ **Mark the required variant**

²⁾ Workshops/shops according to the Trade Licencing Act, §17. In other words: the places, where the goods is paid and transferred in reality (so called "brick and mortar shops" or "physical shops"). The temporary or movable shops and vending machines fall also into the class.

³⁾ For example discount portals, electronic auction sale portals (AO demands for this type to state the nickname and the official, verified e-mail address for communication between the provider and the seller), Facebook profiles in case they serve as the point for order the exhibited goods, and so on.

⁴⁾ It doesn't have to be identical with the addresses given for the electronic workshops
